

**On the 3<sup>rd</sup> and 4<sup>th</sup> of October 2023**, project SmartMiner holds the first of a series of workshops to engage with the relevant stakeholders involved in mining industry and focused on decision-making and evaluation practices in the field of project.

More about project is available at <https://smartminer.mas.bg.ac.rs/>.

The workshop will provide the opportunity to exchange on national practices, discuss key concepts and methodologies and to be engaged in the SmartMiner survey questionnaire design, which will be launched soon. Discussions will take the form of working sessions.

The outcome of the discussions will feed directly into the further activities of the project and help us to identify the right elements and case studies on which to focus our analysis on.

The workshop will take place **on the 3<sup>rd</sup> and 4<sup>th</sup> October 2023 at the Faculty of Mechanical Engineering University of Belgrade, Kraljice Marije 16 in Belgrade.**
